# OUR MISSION

Here at Sweetgrass Pharmacy & Compounding, we work hard to counter the traditional pharma model and provide you with a more personalized and accessible healthcare experience. We genuinely take the time to connect and consult with each patient we serve, and we are committed to and care about our greater South Carolina community. Our team of pharmacists works closely with providers and patients to customize affordable, safe, and easy-to-use medications, enabling patient compliance and efficacy. We offer private and comfortable in-store or over-the-phone counseling and support. Sweetgrass Pharmacy & Compounding is more than medicine; it's personalized medicine.

**We make a difference. We make it personal.**

# Our Core Values

*"If you don't like something, change it. If you can't change it, change your attitude." ~Maya Angelou*

## Attitude

We are motivated, driven, and passionate for success. We maintain an optimistic outlook turning challenges into opportunities. We always support one another, showing appreciation, patience, and respect.

## Customer/Patient Focus

We believe patient care and customer satisfaction are at the center of what we do every day.

## Ethics

We own our behavior, keep our promises, value honesty, and embrace diversity.

## Teamwork & Dedication

We believe teamwork empowers our individual strengths. Dedication to our team achieves quality solutions.

## Safety & Quality

We strive to exceed industry standards for safety and performance. We believe safety is at the forefront of our decision-making.

## Integrity

We believe integrity is at the heart of our individual and corporate actions. When in doubt, do the right thing!

## Innovation

We believe in promoting a culture of innovation and continuous improvement.

## A LETTER FROM OUR CEO

Sweetgrass Pharmacy meets the needs of providers and patients where other pharmacies fall short. My design for Sweetgrass Pharmacy is to provide specialized patient healthcare without sacrificing traditional apothecary values. We provide dermatologists across the state access to effective, high-quality, and safe compounded medications in a place that feels like home. As the only PCAB-accredited retail pharmacy in the state, I am proud to employ a highly-trained clinical staff committed to providing the best level of care with cutting-edge technology. We make it personal.

*Cynthia Feldman*

Cynthia Feldman, PharmD, MBA  
Owner/Chief Executive Officer

## OUR APPROACH TO COMPOUNDED DERMATOLOGY:

Here at Sweetgrass Pharmacy, we understand that each patient's dermatological condition is unique. We offer individualized therapies using the most carefully curated formulations that utilize the most advanced and effective ingredients. We proudly treat many dermatological conditions including rosacea, acne, scarring, hair growth/loss and discoloration. Based on your patients' needs, we have the resources to compound a variety of drugs into a multitude of different creams, lotions, gels and ointments to provide patients with the best course of treatment. Sweetgrass Pharmacy has partnered with several dermatology manufacturers. As a result of these partnerships, we are able to access and provide manufacturer rebates not available to other pharmacies. Choosing the best options for patients and their conditions, and providing great quality products at low prices, are our main priorities.

# WORDS FROM OUR STAFF

"At Sweetgrass Pharmacy, we pride ourselves on taking care of our patients the way we would care for our own families. We believe that patient care starts with good clinical care. My team has the knowledge, training, and dedication to provide a level of patient care that is unrivaled. We are honored to have earned the reputation and trust from both our patients and providers in supplying the best-specialized patient healthcare in the state.

**Courtney Jarvis, PharmD**  
*Chief Operating Officer/Pharmacist*

"At Sweetgrass Pharmacy, we strive to make a difference in each of our patients' lives. We provide service beyond what is expected from a typical pharmacy. Our highly trained staff aims to go above and beyond to provide our patients with the best and safest care. We are so excited to offer custom compounded dermatology products to our patients and providers. We value the relationships we build with our providers. My team works diligently to assist our offices with prior authorizations, coupons, shipping and delivery services, and custom compounding to ensure that our mutual patients have the best possible experience and outcome."

**Kailey Clark, PharmD**  
*Pharmacist, Pharmacist in Charge at Carolina Park*

"At Sweetgrass Pharmacy, we believe in making a positive difference in people's lives. It is my job and privilege to help my providers and patients reach their dermatological goals. Patients on dermatology medications often require more from their pharmacy than simply filling the prescription. I take pride in meeting these needs and providing the necessary services by streamlining the prescription process from the doctor's office to the patient. I work alongside patients, providers, insurance companies, and drug manufacturers to provide the lowest cost, highest quality dermatology products – branded, generic, and compounded. "

**Sylvia Nicole Faulkner, CPhT**  
*Lead Pharmacy Technician*

# COMPOUNDED PRODUCTS

Here are some of our staff favorites for compounded dermatology products. These products have been highly praised by patients, physicians, and providers.

LIDOCAINE 23% TETRACAINE 7%

## 02 LT CREAM

Pairs best with our Oleabase plasticized base. Used most frequently as an in-office numbing remedy to manage patient discomfort during procedures.

# STAFF FAVORITES

VARYING PER PATIENT NEED

## 01 TRETINOIN CREAM

Pairs best with our Versapro cream base. Used when patients have an allergy to ingredients in commercially-available products or when they need an "in between" dosage strength.

FLUOROURACIL 5% | CALCIPOTREIN 0.005%

## 03 5-FU/C CREAM

Pairs best with our Versapro cream base. Most often used to help solar keratoses and other forms of skin cancer.

Most Popular!

Bruise Cream in  
PCCA W06  
Anhydrous Base

- Reduces pain and swelling
- Improves healing of bumps and bruises
- Speeds up injury and trauma healing

# PRESCRIPTION PROCESSING

01.

**Send a prescription** through e-scribe, fax, or give us a call! Sweetgrass Pharmacy will call the patient to confirm the pickup, delivery or shipment details. If the patient does not receive a call or text within 24 hours, please have the patient call 843-800-7007.

02.

**Once verification is complete,** Sweetgrass Pharmacy will notify the patient that the prescription is ready for pickup, or notify the patient when their prescription is out for delivery/shipment.

03.

**Depending on delivery method,** have your patients check their mail or come see us at either of our two convenient pickup locations. Patient prescriptions ship free of charge and typically arrive to in 1-2 days. Patients will receive a tracking number via text message for shipments.

---

## OFFICE-USE ORDER PROCESSING

USE THE QR CODE OR URL LISTED BELOW FOR FASTER OFFICE USE ORDERING. IF YOU HAVE ANY ADDITIONAL QUESTIONS, CALL THE CAROLINA PARK PHARMACY at 843-800-7007.

<https://form.jotform.com/231904087325051>

THE ORDER FORM LINK IS ALSO AVAILABLE ON OUR WEBSITE UNDER THE PHARMACY RESOURCES TAB > PROVIDER LINK.

\*For professional use only. Sweetgrass Pharmacy specializes in customizing medications to meet unique patient and practitioner needs. Sweetgrass Pharmacy dispenses only to individuals who are identified patients with valid prescriptions. The FDA reviews no compounded medication for safety or efficacy. Sweetgrass Pharmacy does not compound copies of commercially available products. References are available upon request.

# WHAT PROVIDERS ARE SAYING ABOUT US

---

"Cynthia and her team go above and beyond to ensure my patients receive their medications quickly and cost effectively. The staff are professional, knowledgeable, and friendly. They are willing to go the extra mile to create alternatives for my patients even if it is something they do not currently compound. Their communication is superior, and my patients rave about the customer service they receive. We love Sweetgrass Pharmacy and are fortunate to have them as part of our care team."

**- Ainsley Wingard, PA-C**

Dr. Caroline Price Dermatology, *Greenville, SC*

"Sweetgrass Pharmacy is my go-to pharmacy for compounding. Their team is very collaborative and goes above and beyond for patients. I trust them to take care of patients like I would."

**- Joshua Black, MD**

Germain Dermatology, *Johns Island and Mount Pleasant, SC*

"Sweetgrass Pharmacy has increased our patient compliance rate and patient satisfaction by delivering amazing customer service and competitive pricing. My patients are always commenting on how easy they make the process of getting compounded or specialty medications sent directly to their houses. Thank you so much for your amazing service for our patients and our office!"

**- Kristin Clark, PA-C**

Waccamaw Dermatology, *Litchfield Beach (Pawleys Island), SC*

"Sweetgrass Pharmacy has excellent customer service. They go above and beyond for our patients and clinic."

**- Edward Kotz, MD**

Carolina Dermatology, *Charleston, SC*

"We are so happy to have found Sweetgrass Pharmacy. They are quick and efficient with great prices and amazing customer service. Sweetgrass Pharmacy makes filling prescriptions a smooth process for both our patients and our staff. We recommend them to everyone!"

**- Lainey O'Donnell, PA-C**

Germain Dermatology, *Summerville, SC*

"Sweetgrass Pharmacy has been a game changer for our practice. Their prices and products are both comprehensive and easily accessible for my patients. It has streamlined my prescribing practices and significantly reduced the administrative burden on my staff. I love having a one stop shop for all my patients' prescription needs."

**- Stephanie Davis, PA-C**

Anderson Dermatology and Skin Surgery Center, LLC  
*Anderson and Easley, SC*

# PARTNERSHIPS

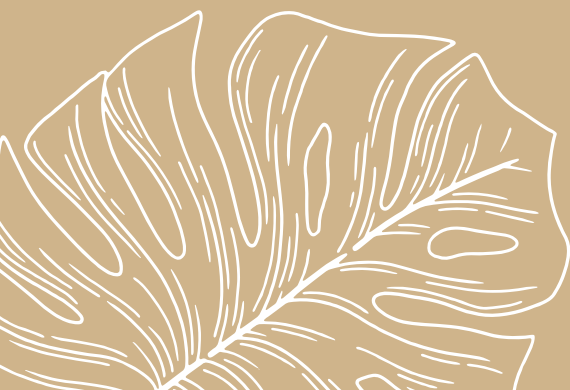

Sweetgrass Pharmacy is contracted with all major insurances and partnered with most major dermatology manufacturers.

## COMMERCIALY AVAILABLE PRODUCTS

In addition to many compounded products, Sweetgrass Pharmacy offers a multitude of commercially available medications. Please see the back of the catalog for the most updated price sheet and available products.

# Better Treatment for a Sweet Life
